

Brighton.  
July 31.

Dear Sir

I do not come till Wednesday  
in the next week.

I should like copies of the  
letters in the Cheshire Bazaar  
newsletter — pray get them  
done for me.

I have desired Mr Mack to  
inform Mr W. Mason that he  
cannot give the Kings Theatre  
in Nov for German Operas. When  
he made the request to me I  
desired him to put it in  
writing, but this he has not

done.

It is very annoying that a  
man of Mr Coleman's talents  
should make himself so  
absurd. I am much obliged to  
you for presenting his exposure

most truly yrs

Deane
